CANADA UPDATE!

CANADA MISSIONS: REVIVAL FIRES IN ARCTIC CANADA

We started out strong this year with weekly Prophetic Lifestyle Mentoring sessions with 30 Arctic youth and leaders.

Lives were impacted and transformed during the 3month mentoring course. Pastor Elizabeth said "I am seeing people transformed in front of my eyes!"

In the weeks and months to follow, revival fires broke out in Elizabeth's church in Kangirsuk, where healings, salvations and deliverances were happening and angelic and Holy Spirit visitations were regular. "It's hard to explain", Elizabeth said, "but the Word of God has life to it; it is like another dimension of the living word." "God is pouring out water like waterfalls. He pours out buckets. There is so much laughter. We have been so dry and He is refreshing us!" "now He is pouring out oil, so much oil. Miracles of healing. People returning to the Lord."

We continue to invest in the Arctic through intercession and meeting spiritual and practical needs. Along with supplying spiritual resources, we recently shipped boxes of food and clothing to meet needs in three Arctic communities.

🔥 3 Month Arctic Mentoring 🔥

***Sow to reap a harvest!* Genesis 26:12 Testimonies!**

God provides seed for sowing and bread for food and multiplies your seed and increases the harvest.

2Cor 9:10

Earlier this year, Ettula had no money and was in debt and needing help. CSA sowed into his need and the team gave him money specifically for sowing a breakthrough Genesis 26:12 offering, anywhere God showed him to. He sowed it into helping four people also in need.

Within a short time he got a call from someone asking him to come for an interview - and he got the job! He wrote: "I just want to thank you for all the help and prayers. I was hired for a job I never applied for and at the highest wage they have ever given a new hire. I know it was the result of sowing and your

prayers. I am now teaching my son to sow."

Other testimonies from those who sowed into our Genesis 26:12 partnership include: one partner purchasing a home that looked impossible to do in the natural, another was laid off work and received 2 job offers and a callback to work within hours after sowing a Gen 26:12 offering, another's family relationships have been restored, and there are more.

In Genesis 26:12, 13 It says Isaac sowed in the time of famine and he reaped a hundred fold in the same year and was blessed and he prospered and became very prosperous!

OUR 2021 PROJECTS

Equipping, empowering and mobilizing

This year we have been maximizing Zoom and Facebook meetings for daily intercession, weekly training schools and Next Level Partner mentoring. Since January 1 we have been non-stop hosting daily intercession for Canada and the Arctic, teaching weekly prophetic lifestyle classes as well as mentoring courses on personal wellness, intercession and evangelism to students from Canada to as far away as Singapore and Australia.

The CSA team have produced three books this year - *Firstfruits, Soul Spa, and Awakened*. *Firstfruits* is available now while *Soul Spa* and *Awakened* are soon to be released. All proceeds from the sales of these books go to Canada Missions.

Summary of our 2021 work around the world:

Arctic Canada: CSA currently provides intercession, resources and training support to Northern Quebec and Nunavut regions. Training and mentoring Inuit leaders happens through association with Apostolic leader Elizabeth Annahatak and the Inuit Youth Discipleship Training. Outreaches of practical support of food, clothing, bibles, training resources and other needs has also been provided to communities of Kinngait (Cape Dorset), Arctic Bay and Kangirsuk. We have vision to expand our reach into Western Arctic regions in the future.

Operation Justice: CSA's Operation Justice supports the ending of human trafficking in Canada and beyond and provides help for victims of abuse through Voice 4 Victims and House of Hope (PKM-USA). We continue to work on a social media project called Courageous Life – a social media outreach to bring hope for living, truth in identity and purpose, and the gospel message to Canadian youth.

Cambodia: Extreme Love Ministries (ELM) is a missions work in Cambodia founded by Patricia King to intercept human trafficking at the local and government levels and to provide child sponsorships, training programs and outreach projects. CSA and our partners help sponsor the care and housing of children, the ELM grade school and after school discipleship programs, the providing of school lunches, and special projects to help reach and care for those who are rescued from risk of human trafficking.

Belize, Central America: In 1983-1984 Patricia and her family, along with Jane (Watrich) and Cheryl (Stirm), did a 5 month missions assignment in Belize. At the end of the mission's term, Cheryl remained in Belize, married fellow American missionary Scott Stirm, and together they began their apostolic work to disciple the nation of Belize. CSA partners with Scott and Cheryl Stirm (Jubilee Fellowship) to preach the gospel and to disciple and build strong families and leaders to impact the nation.

Shiloh Fellowship: CSA partners with Shiloh Fellowship (Maricopa AZ) and Shiloh Webchurch, an online pastor care ministry. Our CSA team actively provides Webchurch pastor care worldwide. Shiloh Fellowship is viewed weekly by tens of thousand internationally

Other: Our CSA team actively works alongside the Revival Reformation Alliance and the Canadian Prophetic Council on Canadian prayer initiatives such as Battle for Canada, Canadian Firewall, and the Life Wall.
