

CELEBRATING 50 YEARS

1974 - 2024

2023 – a Fruitful Year!

Thank you so much for partnering with Christian Services Association and Patricia King Ministries! What a fruitful year we have had! We trained in churches and to emerging leaders on topics of Prophetic ministry, intercession, and evangelism in Saskatchewan, Ontario, and the Quebec Arctic. Through our Hineni Prophetic Equipping School, Go School, Soul Spa Freedom School and other courses and Facebook Lives, we trained and ministered online both nationally and globally. We also ministered healing and freedom to many, helped the poor, helped protect children from human trafficking, strengthened the church and collaborated with other Kingdom labourers through intercession and public meetings to bring God's hope and truth to the nation.

Celebrating 50 Years of Ministry!

We have been founded on the powerful legacy of founder Mary Goddard, teaching cross-denominationally on the Gifts of the Spirit and who travelled globally moving in power, signs and miracles, mentoring Patricia King who's brought the torch of God's love and Prophetic gifts to the streets, bringing hundreds to Christ and as a media pioneer, and strengthening the church through the power of God's word and revelation.
